

Reflection Sheet: Nmbr9

Your Name: _____ Team Member: _____

1) Modifying Strategies: Building Higher Levels!

- a) **Draw** how your base looked on the turn you placed your first tile on **level 1**:
(remember, the table is level 0)

- b) **Explain** why you chose that turn as the right time to start moving up a level:

2) Arranging Tiles to Build Higher Levels

- a) What was the highest level you managed to place a tile on in your games today? 
- b) What was the tile you placed on your highest level? Explain why you felt that piece was a good piece to play on that level: (can draw on the back or have a photo taken)
